

70 LUTS MASTER BUNDLE

By Denver Riddle from Color Grading Central

Thank you for your interest in the 70 LUTs Master Bundle... the only LUT collection you need.

These were made by myself and a team of senior Colorists and you're now getting the same looks that have been used on high end commercial projects and films.

The combined value of everything you're getting is \$450!!!

We hope that you love the results you start seeing in the look of your films today and we can't wait to see the big projects you go onto!

How to use:

We have a convenient help video that walks you through how to install or import the LUTs into your software as well as the best practices you should use to get the highest quality.

Make finding the right LUT easier...

The **Cinema Grade plugin** makes finding the right LUT easier and faster with previews of ALL your LUTs at one time. It's the perfect compliment to the Master Bundle and you'll LOVE the intuitive point-and-click color grading editor!
